Submitted to His Highness

The Inspector General of Education solicited sanction to certain charges amounting to Rs 600 in connection with the special Normal class for the training of teachers in Kindergarten The course of instruction was 2 months from 1st December 1909 and the Head Master of the Normal School and certain other teachers were employed to give instruction The Inspector General proposed to give remuneration at Rs 100 a month to the Head Master, Rs 75 to the Assistant Master and at sums varying from Rs 10 to Rs 25 to seven others employed in the work Contingent charges at Rs 15 per mensem were also proposed to be incurred The Inspector General based his recommendation for the grant of the allowances on the ground that the masters employed on the work had to give up their Christmas vacation besides having to attend to the additional work till the end of January 1910

2 The Second Councillor agreed to the proposals being sanctioned, but as I was doubtful whether the extra consideration and concessions were necessary

the matter was taken up for discussion in Council

3 It has been resolved that no special allowances need be granted to the teachers, but that they may be allowed to take privilege leave on full pay for the number of days they have had to work during their vacation The contingent charges were accepted for sanction
